Trec Guidelines:

Control of paces (MA) – The rider enters a marked corridor in as slow a trot as possible and maintains the pace and then returns along the same corridor in as fast a walk as possible. A maximum of 30 points available for trot and walk (score will be halved in line with Trec GB rules). A break in pace or a foot outside the corridor scores zero.

Cross Country Trials (PTV) –10 simulated obstacles which you might come across while out riding set up in the arena. Each obstacle is scored out of 10. All obstacles are optional. Where an obstacle is missed out the score is zero for that obstacle. The course is timed. The rider will be stopped if they run out of time. (Recommended to wear headcollar under Bridle).
