RULES AND REMINDERS

All classes judged in conjunction with BS & Twin Trees Riders Club Rules

Competitors may be led or have assistance where the fence height is 50cm or less in the first round.

If a pony is led the short lead rein must be attached to the noseband.

A pony may compete twice in the same class with different riders where the fence height is 50cm or less in the first round.

A fall of a rider incurs elimination from the class.
